Documentation Note:

We hereby confirm that the packaging material complies with the recommendations orientated to the GMP rules of the WHO for production of containers made of moulded glass and that quality has been tested in accordance with the valid test standards according to technical specification and technical drawing following the current Defect Evaluation List for containers made of moulded glass and that the requirements are met.

Where alternative agreements exist between the manufacturer and Customer for the packaging material designated above these are taken as a basis.

The test data have been recorded and are available upon request
